FAIRHAVEN

LOCATION—Fairhaven is located across the Acushnet River and the harbor from New Bedford. It shares the fine location of that city on Buzzards Bay. To the west across the bridge one mile is the business section of New Bedford, further west is Fall River, Providence and the state of Connecticut. Fairhaven is attractively laid out and has over 15 miles of waterfront. To the east, the highway soon enters the real Cape Cod country of ocean, bay, bluff and promontory, beach, cranberry bogs, tourists, and real Cape Cod folks.

SEEING FAIRHAVEN—Most prominent among Fairhaven's buildings is the beautiful Memorial church given by late H. H. Rogers in memory of his mother. It cost about 2 million dollars, the chimes cost \$50,000, the organ \$50,000, the baptismal font cost \$35,000. The church has beautiful stained glass windows and every pew is hand carved of English teak wood (no two alike). The exterior stone carvings took Italian artisans 2 years to complete. The stone used in building the church was quarried entirely from Fort Phoenix. South on Green street is Fort Phoenix, bathing beaches, Fort Phoenix Park and many boat and ship yards. Here we have a fine view of Buzzards Bay.

INDUSTRIAL—Fairhaven has nine industries producing boats, yachts, marine railways, marine construction, tacks, nails and eyelets, castings, loom cranks, machinery, ice cream, insect screens, oil refining, sails, toilet preparations, etc. Combining with New Bedford, there is an excellent labor market here, facilities for manufacturing cannot be excelled anywhere in the country.

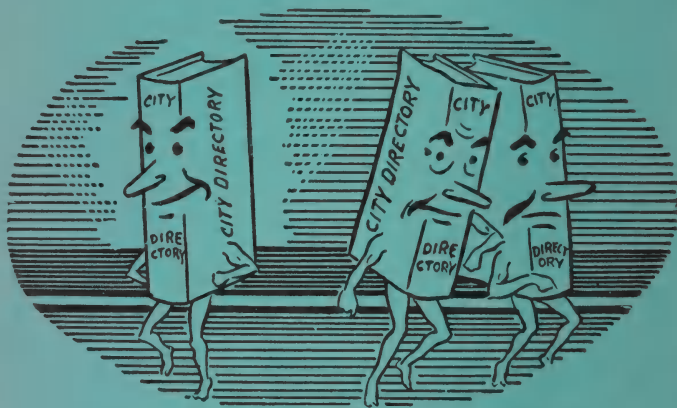

RELIGIOUS AND EDUCATIONAL—There are seven churches representing the leading denominations. There are eight public schools with 78 teachers, with 2,279 pupils. Two parochial schools.

MISCELLANEOUS—Fairhaven has two banks, a fire department with three stations, a police department with one station and eight men, post office with three sub stations, library open every day, 2 weekly newspapers, one hotel. Limited for town government incorporated February 22, 1812, with 242 elected representatives. Fairhaven representative state District 9, Bristol county with 5,359 voters, Acushnet 1,368 and Dartmouth 3,047 with one representative. Population 11,051. Tax rate for 1939 was \$42.50, total valuation \$10,765,000.

Business Men's Association of FAIRHAVEN

The Fairhaven Business Men welcome you to the Town of Fairhaven.

Located on the east side of the Acushnet River it is well situated for the lover of salt water. Some of the finest boat yards are on the water front and the fishing fleet make it their port of call for marine repairs.

A large tack factory is one of the towns chief industries and also a world renowned Oil Works.

Blessed with its fine old elm trees it is an ideal residential town.

It is also fortunate in having the beautiful buildings that were the gift of one of its most notable sons, Henry H. Rogers.

You will always find a warm welcome in this old New England Town.

EVERY CITY

must have a Directory not only to give the names and addresses of its citizens, but also to give that character of progressiveness that would record the name of its people for historical purposes. Every one has forefathers, these forefathers have made the history of this country some day you will be the forefather and your descendants can visualize your life's work quicker through the registration in the Directory of your time than in any other way. The BIOGRAPHICAL HISTORY OF THE MASSES IS CONTAINED IN THE CITY DIRECTORY AND NO OTHER PLACE. That stamps its importance to the family. To make your history, watch your Directory registration to see that it accurately records your position in life from year to year.

ARTICLE I.

(RELIGIOUS ESTABLISHMENT PROHIBITED, FREEDOM OF SPEECH OF THE PRESS, AND RIGHT TO PETITION.)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech or of the press; or the right of the people peaceably to assemble and to petition the Government for a redress of grievances.

ARTICLE II.

(RIGHT TO KEEP AND BEAR ARMS.)

A well-regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed.

ARTICLE III.

(NO SOLDIER TO BE QUARTERED IN ANY HOUSE, UNLESS, ETC.)

No soldier shall, in time of peace, be quartered in any house without the consent of the owner, nor in time of war but in a manner to be prescribed by law.

ARTICLE IV.

(RIGHT OF SEARCH AND SEIZURE REGULATED.)

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

THE BEST ADVERTISING MEDIUM IS THE

CITY

DIRECTORY

**Because It Is Used The Most To Find Just Such Infor-
 mation You Most Wish To Have The Public Know**

FIRST—What line of goods you handle. **SECOND**—where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc. and some prefer one kind, some another. What better place to state your special brands than in the City Directory?

Write your views to them on all important local, national, and international legislation that comes up for vote before them. Express yourself frankly and with force. They need your letters. They are away from home and many times under evil influence. Do not hesitate to write them many times a year strengthening their hand and giving them the advantage of your good judgment and common sense. Guide them with good, old fashioned home-town logic and help save America from pitfalls which daily threaten our constitutional rights.

THE BEST ADVERTISING MEDIUM IS THE

CITY DIRECTORY

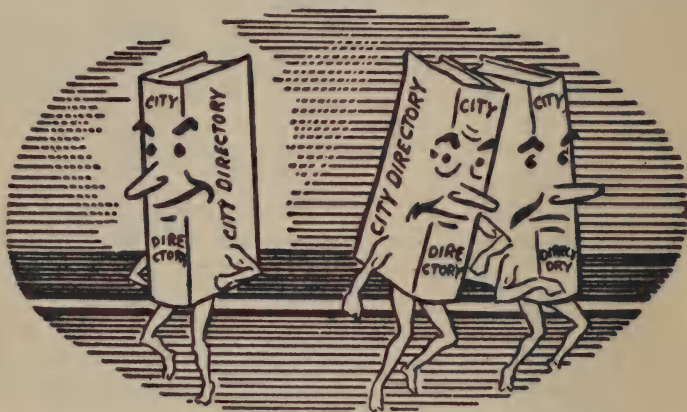

Because It Is Used The Most To Find Just Such Information You Most Wish To Have The Public Know

FIRST—What line of goods you handle. **SECOND**—where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc. and some prefer one kind, some another. What better place to state your special brands than in the City Directory?

NEW BEDFORD DIRECTORY

Its Purpose - Its Meaning

To You Personally—To Your Family—To Your Neighborhood—To
Your Business Group—To Your Social Group—To Your City and
ALL Its Interests

THE MODERN TOWN CRIERS

A Large Army in New Bedford Use the CITY DIRECTORY

It is estimated that more than 1,500 persons consult the New Bedford Directory every daylight hour of every working day. This is equivalent to one user every $1\frac{1}{2}$ seconds or 12,000 users per day, over 3,000,000 per year.

3,000,000 CIRCULATION PER ANNUM

Gradually increasing as the real value of this Directory becomes better
known to New Bedford

A real strong advertisement in this Directory can be purchased for 500 user circulation for one cent. Never thrown away in the waste basket after a glance nor is it cheaply constructed. THERE IS NO ADVERTISING LIKE THE CITY DIRECTORY.
